ATTEND TO YOUR COLDS -A case of five years' and on cured by DR. KEYSER'S PROTORAL SYRUP. Perrastrest, Jan. 11, 1860. Dn. Kryssa: My wife has been afflicted with a tad cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Syrup. I bought the first time, a fifty cent bottle, which relieved her very much; I then called and got a deliar bottle, which relieved her very much; I then called and got a deliar bottle, which cured her entirely, and she has now no trace of the former discuss, except weakness. I would also state that I good the medicine my self to a cold and cough. The medicine cured me by taking one dose. I express my antire assistant time with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman fifth Ward.

PITTERGRAM, NOT. 18, 1839.

DR. KETTER:—Although not an advocate of Patent Medicines, in general, it affords me piensure indescribable to recommend your Pectoral Byrup. As a menicipe it is well worthy the attention of any person who may in any manner be afflicted with coughs, colds and hoarseness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

I have been, more or less, in my life, affected with the several of colds and hoarseness. At times my throst would become so chused as to prevent my speaking above a whisper, and by taking a few doses of the above Byrup it would relieve me entirely.

In recommending this medicine, I must unhesitatingly say that it is the best remedy I ever found, purporting to sore the above, nor should any family be without this remedy for diseases to prevalent.

Kours, most respectfully,

EDWARD J. JONES,

Cashier Citizens' Deposit Bank.

I have used Dr. Keyser's Cough Syrup for a bad cong of several years standing, and can cheerfully say it the best medicine for the same that I have ever taken, J. W. PRICE.

COL. PRATT AND DR KEYSEK'S PECTORAL SYRUP.—Da. Karisas.—Dear Sir. Saccuse the delay of my soknowledging the excellence of your Pectoral Cough Syrup somes. I take great pleasure in saying that it is all you say it is. Benocked the noise own of my cough and the worst one I was ever afflicted with: I have not used more than one-half of the tottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack mesicines." I would not suffer another such as attack for any consideration, or at any cost. I am confident I can breathe more freely than I see a did. I shall always acknowledge a debt of gratitude for inventings, excellent a semedy. You are at liberty to use my name in this regard, as you think proper E. F. PRATT.

READ THE TRUTH.—Dr., Krysen: I have a daughter who has taken several medicines for a rad cough without benefit—among them Ayer's Cherry Fectoral parchased from you a bottle of your PECTO ALL SYMUF, and before she had used half a rottle she was relieved. The second bottle cured her entirely of her cough.

GREAT CURE BY DE, KEYSER'S PECTORAL A GREAT CURE BY DR. REFERRE PROTORAL SYRUP.—I live in Peebles township, alleghens county. I had a coughing and spitting, which commenced about the 4th of February last, and continued eight townths. I employed the best physicians in the country, and my cough continued unabsized until early in October. At that time I was advised to try your PROTORAL COUGH SYRUP, which I did, and after I had taken our buttle I was entirely free from the coughing and spitting. I had was entirely free from the coughing and spitting. I had despaired of ever getting well; and I think it should be known that this valuable remedy will do for others what it has done in my case.

A WONDERFUL CURE. -Some time acc. A WONDERFUL OURE.—Some time ago, an old neighbor of mine was very lit with a bad cough which every one supposed to be consumption. His resatives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Pecteral Syrup, which I cave him and it entirely caured him, to the acceptable I cave him. which I gave him, and it entirely oursed him, to the ascon-ishment of all. What makes the case more remarkable, is the extreme age of the man, he being about eighty years old. I have no doubt the Pectoral saved his life. JOHMN GINNIS.

DR. REVSER'S PECTORAL SYRUP IN BLAIRS-DR. KEYSER'S PECTORAL SYRUP IN ELAIRS-VILLE.—Please send me another supply of your valu-able "Pectora: Syrup." Almost everybedy around us has the cold and are inquiring for "Dr. Keyser's Pectoral syrup." We have sold sixteen bottles hast week, and are now entirely out. Mr. A. Alter and Mr. P. Maher, both of Blairsville, Pa., tell us they would not be without it in their families. In fact, all who use it once want it again. Yours, respectfully.

J. S. WATTERSON & SONS. January 30, 1800.

ANOTHER NEW CERTIFICATE-DE. KEYSER'S ANOTHER NEW ORITTPICATE—DR. REYSER'S
PECTORAL SYRUP:—I had been troubled with a cough
and cold for several weeks—so bad was it that I could not
sleep. I had the advice and proscriptions from three of
the best physicians in the city, whom I could name, but do
not do so. I finally procured a bottle of your Pectoral
Byrup, which cured me entirely.

130 Liberty street, Pittsburgh, Pa., Jan. 9, 1860.

"STOP THAT GOUGHING."—How can I do till "Go to Keyser's on Wood street and get a bottle of his Comp Pectonal, and if that don's cure you, your case must be despirate indeed." This is a specimen of the colloquy one hears almost every day in cold catching periods of the year. And we can, from setual experiment, cheer fally concur in the adviser's admonition as above, for we have tried the "Pectoral." In a most stubborn, case, with one of the most distressing, contrary, mutish, ansubdnable coughs we ever experienced since our advent upon this mundane sphere. We coughed steadily and laboriously for one whole week, in hopes of tirting of out, but it was no go. In fact it seemed rather to have improved by practices, and to have acquired strength, potenty and distressibility by the operation. In this stage of the singe, we coughed our way to keyser's, 140 Wood St.—procured a fifty cent bottle of the "Pectoral;" took it second go directions, and in forty-cight hours we were master of the field, the enemy having unconditionally surrendered, after a brief but unequal conflict with so formidable an adversary as Keyser's famous "Cough Pectoral."—Drownscille Chipper, Dec. 14, 1859.

Imparting to it an unequied gloss and brilliancy, making it soft and silky in its texture, and causing it to cure readily.

The great celebrity and increasing demand for this an equaled preparation, convinces the proprietor that one trial is only necessary to satisfy a discerning public of its superior qualities over any other preparation in use. It cleances the head and scalp from dandraff and other cutaneous diseases, causing the hair to grow innuriantly giving it a rich, soft, glossy and flexible appearance, and also, where the hair is loosening and thinning, it will give strength and vigor to the roots and restore the growth to hose parts which have become build, causing it to yield reals covering of hair.

There are hundreds of indies and geatlemen in New York who have had their hair restored by the use of this Invigorator, when all other preparations have failed. L. M. has in his possession letters immunentle testifying to the shove facts, from persons of the highest rediscotability. It will effectually prevent the hair from turning and the latest period of life, and in cases where the hair has alressly changed its color, the use of the Invigoration will with certainty restore it to it to its original hue, giving it a dark, glossy appearance.
